

AWS Fleet Provisioning

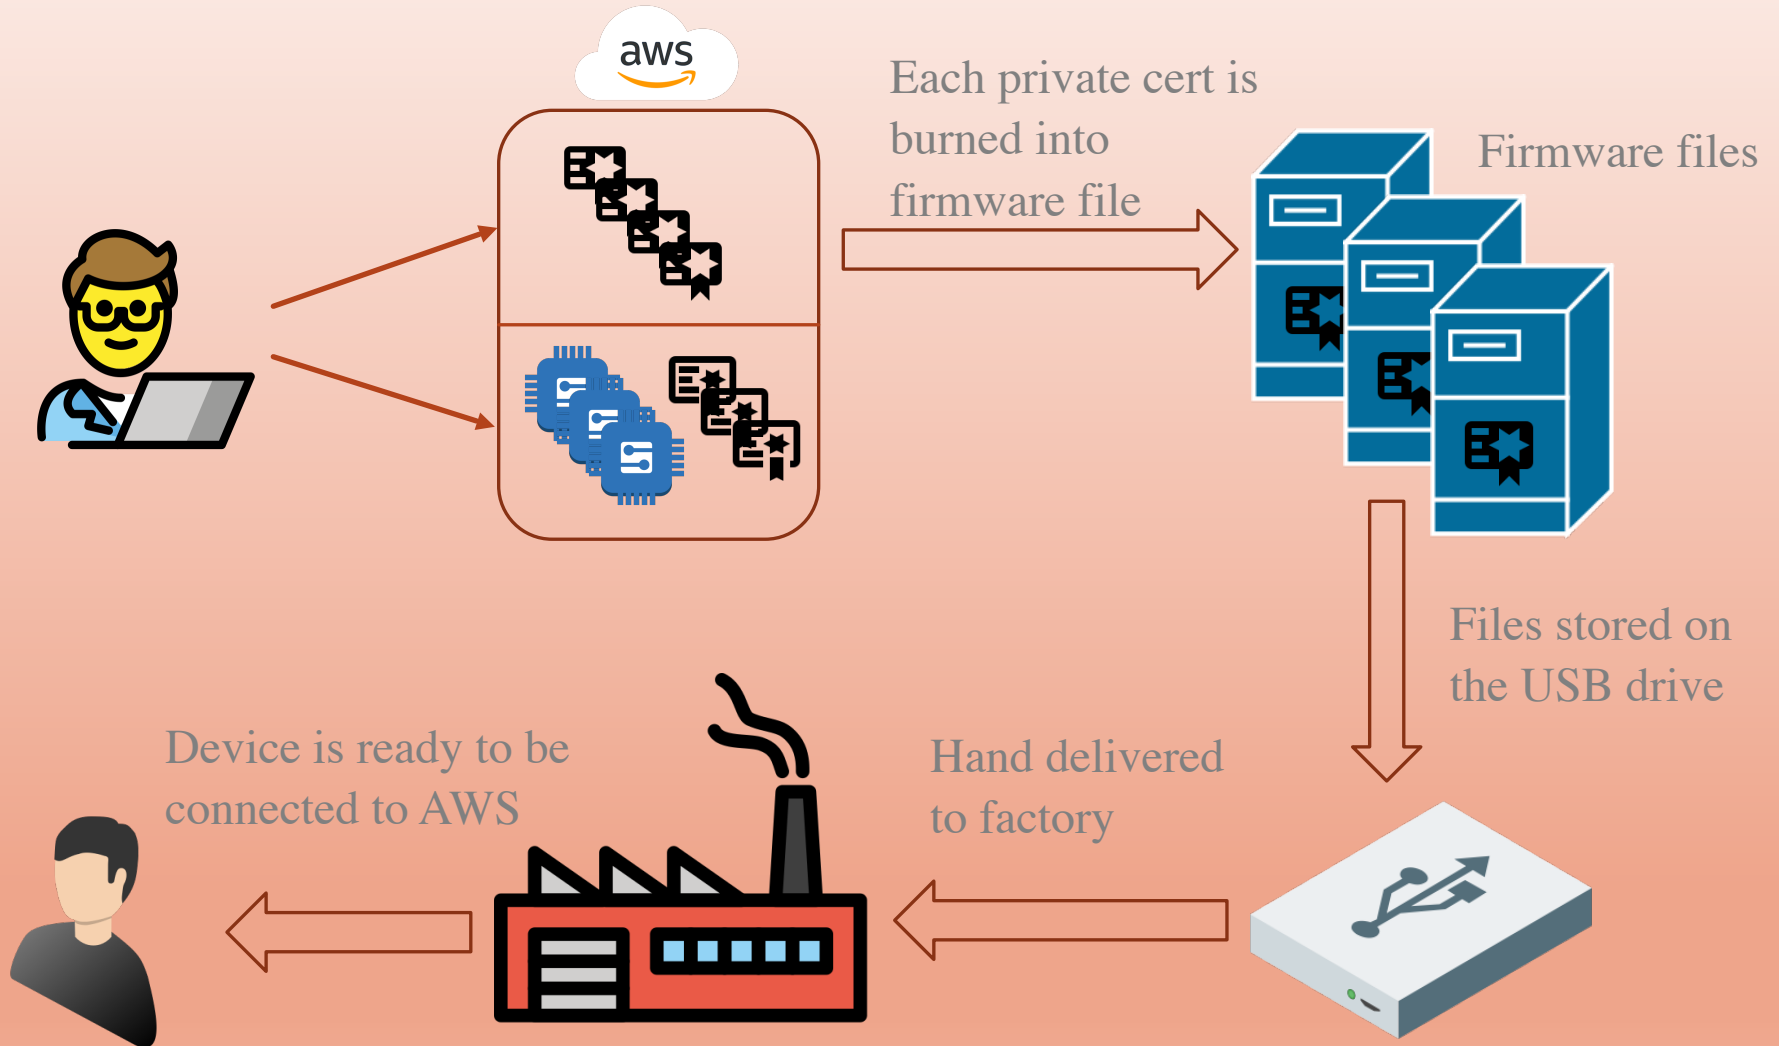

Alex Berger

2025-06-26

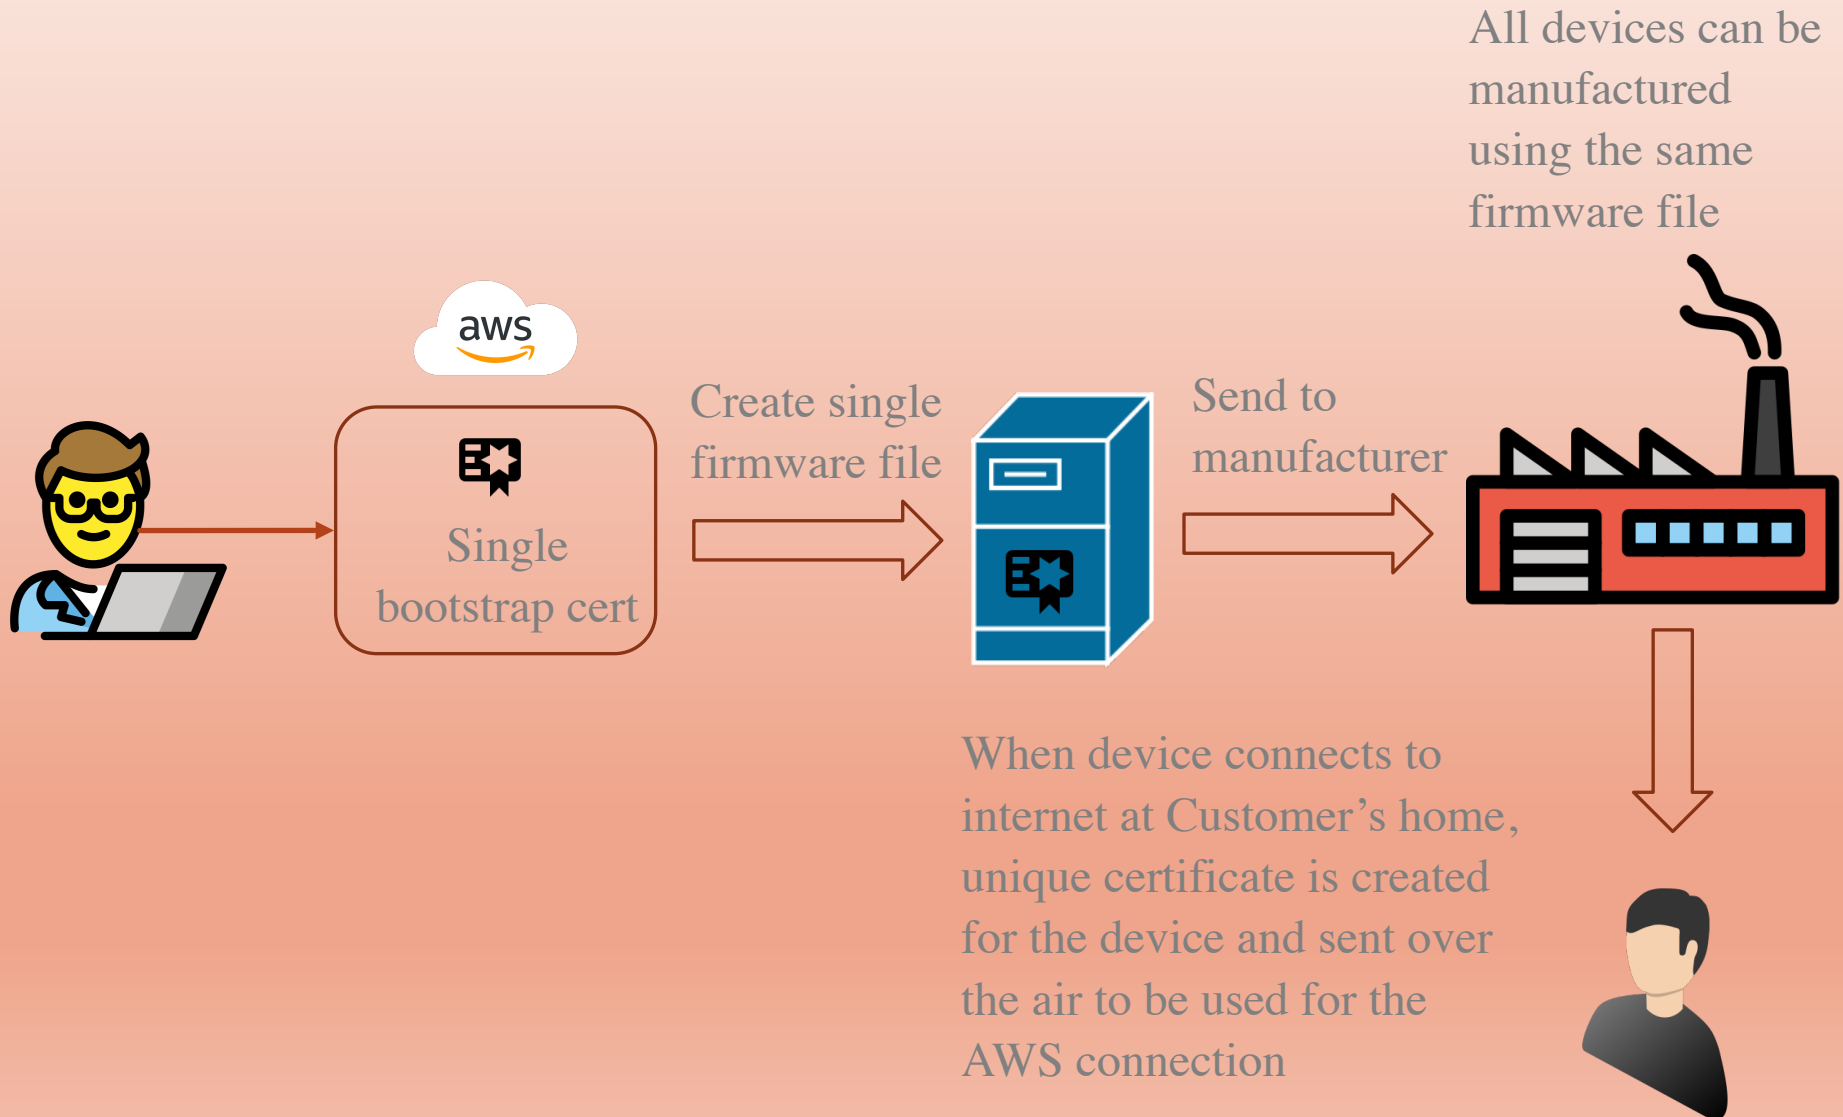

IoT devices connection to AWS

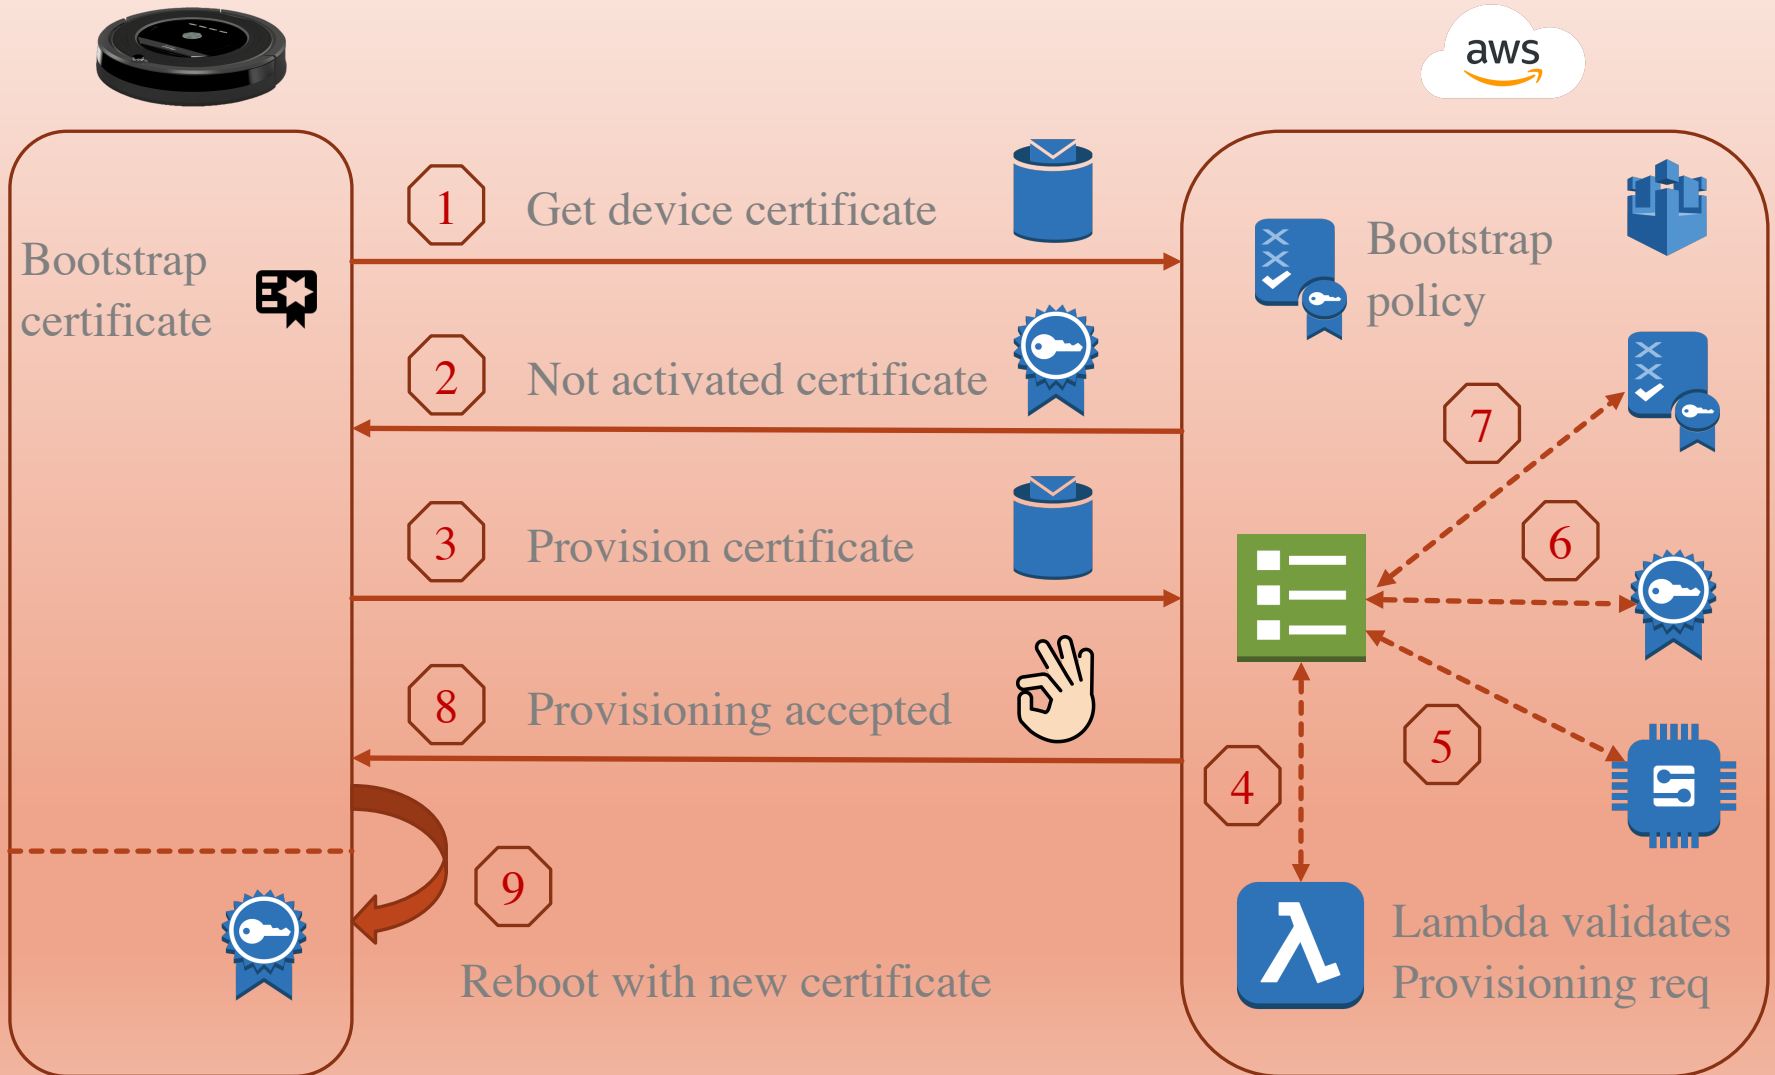

Conventional device provisioning process

Fleet Provisioning process 1

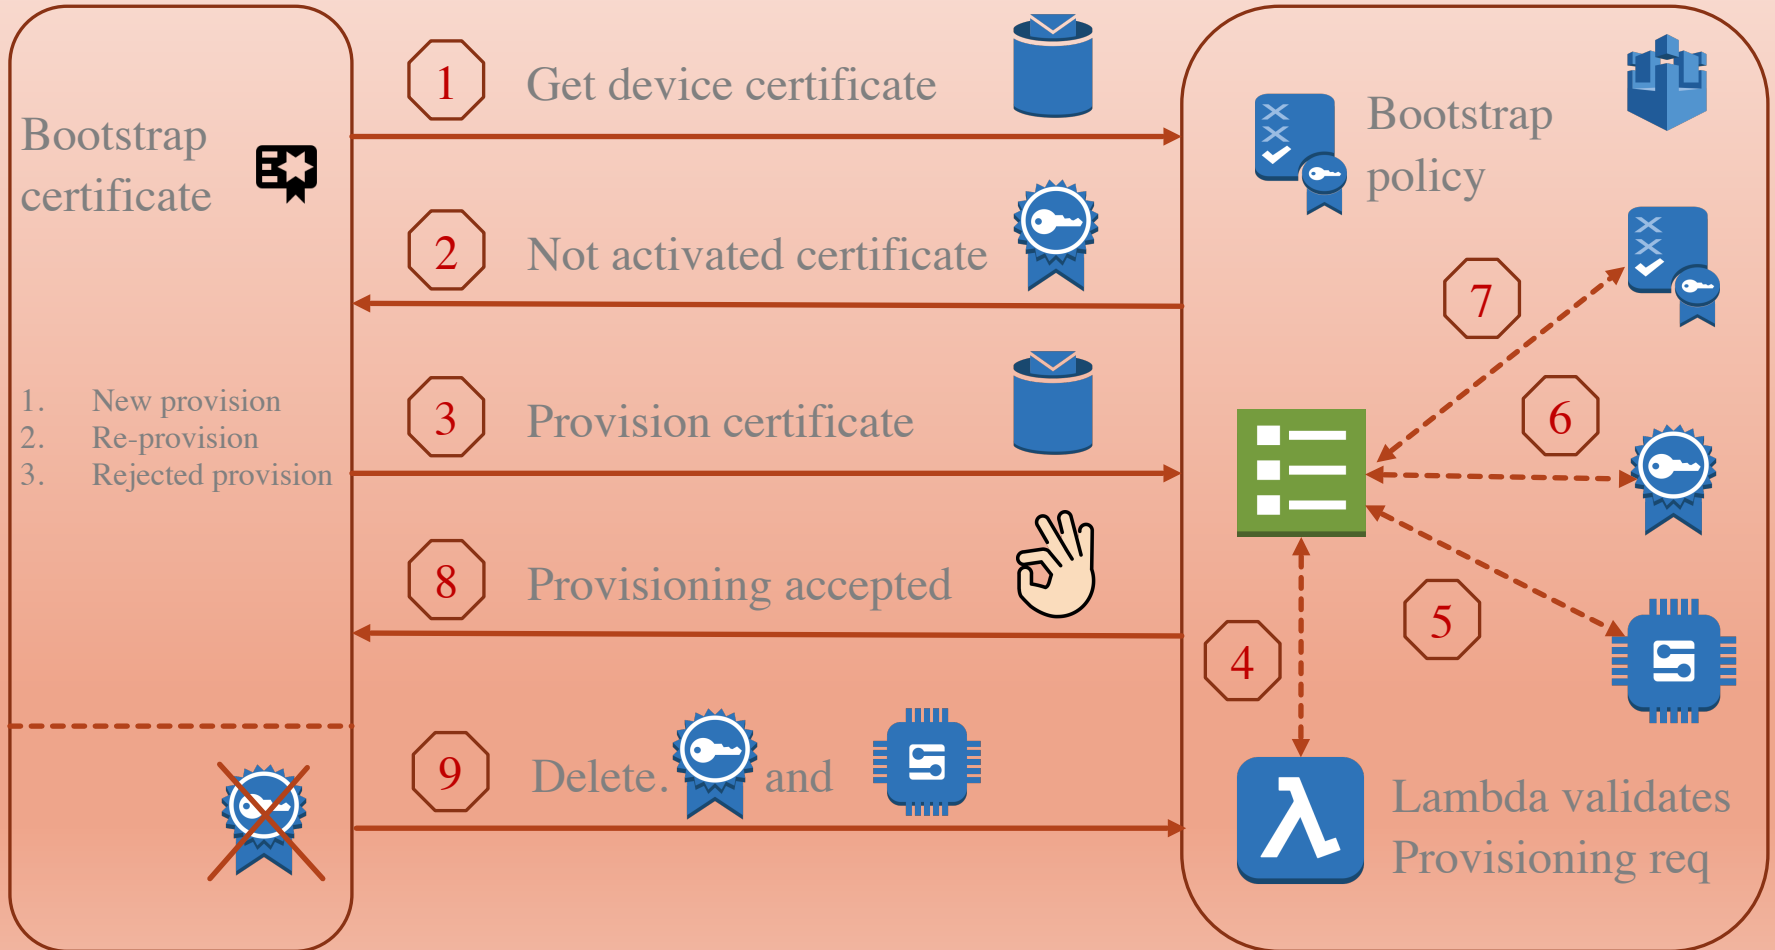

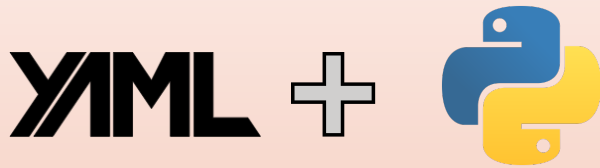

Fleet Provisioning process 2

First work then beer (tavern)

First	Then
 A cartoon illustration of a person with a bald head and a green shirt sitting at a desk. They are holding a pen and writing on a piece of paper. A red book is on the desk next to them.	 A cartoon illustration of a person with a bald head and a red shirt sitting on the floor. They are surrounded by toys: a purple horse, a yellow car, a red block, and a green block.

Fleet Provisioning testing with tavern

Now it's time to celebrate!
